VOLTAIRE (Francois Marie Arouet) 18th century French philosopher, writer:

"Why are the Jews hated? It is the inevitable result of their laws; they either have to conquer everybody or be hated by the whole human race..."

"The Jewish nation dares to display an irreconcilable hatred toward all nations, and revolts against all masters; always superstitious, always greedy for the well-being enjoyed by others, always barbarous - cringing in misfortune and insolent in prosperity." (Essai sur le Moeurs)

"You seem to me to be the maddest of the lot. The Kaffirs, the Hottentots, and the Negroes of Guinea are much more reasonable and more honest people than your ancestors, the Jews. You have surpassed all nations in impertinent fables in bad conduct and in barbarism. You deserve to be punished, for this is your destiny." (From a letter to a Jew who had written to him, complaining of his 'anti-Semitism.' Examen des Quelques Objections...dans L'Essai sur le Moeurs.)

002

"You will only find in the Jews an ignorant and barbarous people, who for a long time have joined the most sordid avarice to the most detestable superstition and to the most invincible hatred of all peoples which tolerate and enrich them." ("Juif," Dictionnaire Philosophique)

003

"I know that there are some Jews in the English colonies. These marranos go wherever there is money to be made...But whether these circumcised who sell old clothes claim that they are of the tribe of Naphtali or Issachar is not of the slightest importance. They are, simply, the biggest scoundrels who have ever dirtied the face of the earth." (Letter to Jean-Baptiste Nicolas de Lisle de Sales, December 15, 1773. Correspondance. 86:166)

004

"They are, all of them, born with raging fanaticism in their hearts, just as the Bretons and the Germans are born with blond hair. I would not be in the least bit surprised if these people would not some day become deadly to the human race." (Lettres de Memmius a Ciceron, 1771)

005

CANNOT, E. 19th century French reformer. In La Renovation, journal of the socialist school of CHARLES FOURIER: "Jews! To the heights of your Sinai...I humbly lift myself. I stand erect and cry out to you, in behalf of all my humble equals, of all those whom your spoliation has brought to grief, who died in misery through you and whose trembling shades accuse you: Jews! for Cain and Iscariot, leave us, leave us! Ah, cross the Red Sea again, and go down there to the desert, to the promised land which is waiting for you, the only country fit for you; o you wicked, rude and dishonest people, go there!!! ("Israel")

006

"I participated with Herzl in the first Zionist Congress which was held in Basle in 1897. Herzl was the most prominent figure at that first Jewish World Congress. He worked to achieve an object which had been fixed beforehand. Just as Isaiah foresaw, decades before the event occurred, the victorious power of Cyrus before anyone else, so did Herzl foresee twenty years, before we experienced them, the revolutions brought about by the Great War, and he prepared us for that which was going to happen. He foresaw the splitting up of Turkey, and he foresaw that England would obtain control over Palestine. 'We may expect important developments in the world.' These were the words spoken by Herzl twenty years before the Great War. He added that the events would offer the Jewish people fresh opportunities." (The Judisk Tidskrift, No. 6, Aug.-Sept., 1929, written by Dr. Ehrenpreis, Chief Rabbi of Sweden).

007

"Hitler will have no war, but he will be forced into it, not this year but later..." (The Jewish Emil Ludwig, Les Annales, June, 1934)

008

"Whenever an American or a Filipino fell at Bataan or Corregidor or at any other of the now historic spots where MacArthur's men put up their remarkable fight, their survivors could have said with truth: 'The real reason that boy went to his death, was because Hitler's anti-Semitic movement succeeded in Germany.'" (The American Hebrew, July 24, 1942).

009

"Kill the Germans, wherever you find them! Every German is our moral enemy. Have no mercy on women, children, or the aged! Kill every German -- wipe them out!" (Llya Ehrenburg, Glaser, p. 111).

010

"The millions of Jews who live in America, England and France, North and South Africa, and, not to forget those in Palestine, are determined to bring the war of annihilation against Germany to its final end." (The Jewish newspaper, Central Blad Voor Israeliten in Nederland, September 13, 1939)

011

"Germany is the enemy of Judaism and must be pursued with deadly hatred. The goal of Judaism of today is: a merciless campaign against all German peoples and the complete destruction of the nation. We demand a complete blockade of trade, the importation of raw materials stopped, and retaliation towards every German, woman and child." (Jewish professor A. Kulischer, October, 1937)

012

"Step by step, I have arrived at the conviction that the aims of Communism in Europe are sinister and fatal. At the Nuremberg Trials, I, together with my Russian colleague, condemned Nazi Aggression and Terror. I believe now that Hitler and the German People did not want war. But we, {England}, declared war on Germany, intent on destroying it, in accordance with our principle of Balance of Power, and we were encouraged by the 'Americans' {Jews} around Roosevelt. We ignored Hitler's pleading, not to enter into war. Now we are forced to realize that Hitler was right. He offered us the co-operation of Germany: instead, since 1945, we have been facing the immense power of the Soviet Empire. I feel ashamed and humiliated to see that the aims we accused Hitler of, are being relentless pursued now, only under a different label." (Ashamed and Humiliated The British Attorney General, Sir Hartle Shawcross, said in a speech at Stourbridge, March 16/84 (AP)).

013

"Our fight against Germany must be carried to the limit of what is possible. Israel has been attacked. Let us, therefore, defend Israel! Against the awakened Germany, we put an awakened Israel. And the world will defend us." (Jewish author Pierre Creange in his book *Epitres aux Juifs*, 1938)

014

"Judea declares War on Germany." (Daily Express, March 24, 1934)

015

"Germany must be turned into a waste land, as happened there during the 30-year War." (Das Morgenthau-Tagebuch, The Morgenthau Dairy, p. 11).

016

"The fight against Germany has now been waged for months by every Jewish community, on every conference, in all labor unions and by every single Jew in the world. There are reasons for the assumption that our share in this fight is of general importance. We shall start a spiritual and material war of the whole world against Germany. Germany is striving to become once again a great nation, and to recover her lost territories as well as her colonies. But our Jewish interests call for the complete destruction of Germany..." (Valadimir Jabotinsky, in Mascha Rjetsch, January, 1934)

"In fact, about 600 news-papers were officially banned during 1933. Others were unofficially silenced by street methods. The exceptions included Judische Rundschau, the ZVfD's Weekly and several other Jewish publications. German Zionism's weekly was hawked on street corners and displayed at news stands. When Chaim Arlosoroff visited Zionist headquarters in London on June 1, he emphasized, 'The Rundschau is of crucial Rundschau circulation had in fact jumped to more than 38,000 -- four to five times its 1932 circulation. Although many influential Aryan publications were forced to restrict their page size to conserve newsprint, Judische Rundschau was not affected until mandatory newsprint rationing in 1937.

And while stringent censorship of all German publications was enforced from the outset, Judische Rundschau was allowed relative press freedoms. Although two issues of it were suppressed when they published Chaim Arlosoroff's outline for a capital transfer, such seizures were rare. Other than the ban on anti-Nazi boycott references, printing atrocity stories, and criticizing the Reich, Judische Rundschau was essentially exempt from the so-called Gleichschaltung or 'uniformity' demanded by the Nazi Party of all facets of German society. Juedische Rundschau was free to preach Zionism as a wholly separate political philosophy -- indeed, the only separate political philosophy sanction by the Third Reich." (This shows the Jewish Zionists enjoyed a visibly protected political status in Germany, prior to World War II).

018

"...In Germany the Jews occupy the principal riles and are first-rate revolutionaries. They are writers, philosophers, poets, orators, publicists, and bankers, and on their heads and in their hearts all the weight of ancient ignominy! They will one day be terrible for Germany...probably followed by a morrow terrible for them." (Rougeyron, 1861; Metternich, 1849; The Trail of the Serpent, Inquire Within, Miss Stoddard, p. 93).

019

"Those who stand too close to the canvas of history while it is being woven will error in their estimate of forces. Minor setbacks will take on the aspects of decisive defeats, minor advances the aspects of major victories. Only in the perspective of all our history - the longest perspective of which any people can boast - shall we be able to estimate the significance of recent

events. Today the hearts of the Jews are oppressed by the bitter events in Germany; let them, while they extend help to the victims of a cruel régime, recall that governments and rulers change, the Jewish people remains. In other lands than Germany there smolders still a dangerous threat against Jewish life. Let the Jews be prepared...Let their fears be tempered by an understanding of their long past, and their hopes be rendered sober by an appreciation of the long future before them. Let them measure all tasks, all difficulties, and all prospects by the standard of a world-wide outlook." (The Visionary on the Mountain Top).

"He speaks of the War throughout as a German, and gives the impression that Germany ought to have won, and it would have pleased him. He speaks at length of the violation of Belgium, but says not a word of condemnation. He explains the Bolshevik system; he apparently approves of it, as he gives as his own opinion that only the workers ought to have rights, capital is wrong and ought to disappear; means of a living must not depend on work, etc. When you buy a coat, with your money you are buying men's work, and he condemns it! Money should be allowed to buy only goods. (He does not explain the contradictions).

A work of art is, say, in Rome; a 'bourgeois' (capitalist) can go there to see it; his money will command the work of many railway men, etc...to enable him to enjoy the sight of that work or art. Why should a poor worker, to whom it belongs as well as to the bourgeois, not see it? The works of art should be brought to the workers everywhere. Money left with compound interest in a bank will double itself in fourteen years, and yet the capitalist will have remained idle. Money is the power of commandeering other men's work!

There are in England occult societies which inspire English politics. They know the course of evolution for the next few decades, and are using their knowledge for the material advantage of England. The English will try and keep the people east of the Rhine (Middle Europe and Russia) in a weak state by keeping up socialistic institutions among them, in order to exploit their work as slaves, for the benefit of the British Empire as Masters.

It is the English occultists who have caused the Tzar to be overthrown and Bolshevism to gain power. They are making socialistic experiments at the expense of Russia and Middle Europe. But as the English-speaking people (England and America) will only be able to evolve materialistic occultism which ultimately would destroy their evolution, they will make use for their advantage of the other kinds of occultism which their victims will evolve, the hygienic occultism of the German and the eugenic occultism of the Russian and the Asiatics.

The English occultists are already in possession of knowledge which will soon enable employers to work their machines by some force which will do away with most workmen. The masses of idle workmen will revolt in anger, but the English occultists know of the means which will subdue them. (Steiner does not explain the means!). The cause of the present unrest in Europe is the kind of stuff a 'lazy' clergy has been preaching in the churches for a long time, because its preaching has no connection with men and lives. Steiner explains at length what the Bolshies want and what they have done. While he never misses a chance of insulting the churches he is very polite about the Bolshies and is careful even to say that he is not criticizing them. When explaining what they have done with their opponents he does not use

the word 'murder' or even 'execution'; he says they have 'chased them away' or got rid of them.

About British politics he says they are very powerful, and will succeed in ruling the world because they are essentially selfish; he says that selfishness must not be criticized, as it is part of the evolution, the development of self-consciousness. The French are finished, because their qualities of logic, intellect, reason, etc., are merely the perfecting of the Roman civilization. The only nation in the world that knows right from wrong is the German Nation (1918)! Steiner is apparently so anxious to show that he means what he says, that he adds: 'The other nations do not understand anything about it at all.' German politics are always idealistic!

The telephone, wireless, express trains, and other modern conveniences have been placed at our service at the cost of misery to millions of workers. It was very easy for the early English Theosophists in the second half of the nineteenth century to take kindly to the new teaching in their comfortable rooms well-heated with coal extracted in the terrible conditions to which they never gave a thought. Humanity as a collective whole is on the verge of going over the threshold more or less consciously, and this momentous step will be done by the proletariat. If proletariat thinking is still chaotic and wrong, it is because it is still imitating bourgeois mentality.

As far back as 1880 the Anglo-American occult leaders, directing the political leaders, knew about the coming World War and prepared for it. The German leaders knew nothing, and would not take warning, that is why they lost! The physical war was easily won by England, but it will be followed by a spiritual war between East and West (East - India, Russia, and German; West - Anglo-America), which will be much more dangerous for the West. For instance, India, which is half starving (according to Mrs. Besant!), will rebel and be helped by powerful spiritual forces out of her past. Germany must fulfil her mission, otherwise the European civilization will be ruined." (Rudolph Steiner, lecture given at Stuttgart in 1918; Light-Bearers of Darkness, by Inquire Within, pp. 78-79).

"That German Jewry could raise the Star of David -- Emblazoned Zionist Flag..." (Nuremburg Laws of 1935)

022

"I know in expressing with this frankness my ultimate opinion of the Jews, I expose myself to enormous danger. Many people share it, but very few dare to express it publicly, for the Jewish sect...constitutes today a veritable power in Europe. It reigns despotically in commerce, in the banks, and it has invaded three-quarters of German journalism, and a very considerable portion of the journalism of other countries. Woe, then, to him who has the clumsiness to displease it!" (Study of the German Jews, (1869).

023

"In no place so much as in Germany do the Jews [in finance, industries and commerce] hold such an important, almost preponderant part. Therefore it

might easily be said that all the newly-rich and war- profiteer, is an ancient of a thousand years...The immense majority of the influentials in Austrian Socialism were and are still Jews (1921)...finally, in a certain sense the Jews oppose themselves to non-Jews, above all in the rôle they play as initiators and actors in the extreme-left parties as internationalism opposed to nationalism." (Le Problème Juic, (1921), Georges Batault).

"The Communist desire to 'liberate enslaved nations' will come as a surprise to the enslaved nations of Eastern Europe, and the goal of maintaining 'integrity of their territories' rings strangely in view of the Soviet occupation of Czechoslovakia, Afghanistan, and other oppressed nations. Like other announced goals of World War II, the Atlantic Charter and the Four Freedoms, Stalin's program achieved only one goal, 'the destruction of the Hitlerite regime,' the only government in the world which had opposed the spread of Communist aggression with its military forces. The 'abolition of racial exclusiveness,' which has (also) been official U.S. Government policy since 1945, was, quite simply, the Jewish Marxist goal of planned genocide of the White Race, because the White Race remained the only possible opposition to the total domination of the world by international Jewish Marxism. No African or Asiatic nation has ever mounted a successful counter-revolution against a Communist regime, nor have they ever desired to.

One hundred million White People died violently during World War II, but the only Asiatic people to suffer serious losses were the Japanese, who were known as 'the Aryans of the East,' because of their aggressiveness and their highly developed technological abilities. Because of their well known opposition to Communism, the Japanese people were selected by Jewish strategists as the guinea pigs for the testing of the new Jewish Hellbomb, a weapon so horrible that when Hitler learned his scientists had begun work on it, he furiously ordered them to halt its development. He refused to allow his name or the name of the German people to be associated with such an inhumane operation. This allowed the Jews to develop their atomic hellbomb in Los Alamos for Roosevelt and Stalin, with no competition from anywhere in the world. They developed it in order to exterminate the entire German people, but, with the unlimited funds provided by American taxpayers, they turned it into a typical billion dollar Jewish boondoggle which dragged on until after Germany's defeat. Fortunately, the homicidal maniacs still had one anti-Communist nation left on which they could conduct their atomic experiment, the island of Japan.

Like most historic Jewish military operations, the great massacres of World War II occurred, not on the battlefield, but in peaceful neighborhood communities. This was in accordance with the dictate of the Book of Esther, which directs the Jews to massacre women and children, and to exterminate the families of those who dare to oppose them. Thus it was in Dresden, a historic German cultural center, where many thousands of German women and children, refugees from Communism had gathered. They were assured by the Red Cross that they would be safe, even while the Jewish generals were preparing to murder the men. The blood-maddened Jews desired not only to murder as many White civilians as possible but also to erase from history all evidence of Western civilization, the greatest examples of White culture which had been gathered in Dresden, the irreplaceable porcelain, the priceless paintings, the baroque furniture, and the rococo mansions with their poetry carved in stone. All was laid waste in a mass bombing attack in

which some 300,000 German civilians died in a city which was not even a military target! The responsibility for this horrible slaughter, in which helpless non-combatants died horribly by flame and explosion, rests with, who else, 'the Americans.' At the last minute, the Soviets prudently withdrew from what was planned as a 'joint-Allied' venture. Today, the Soviets denounce the United States for the annihilation of Dresden.

Like Dresden, Hiroshima was also an ancient cultural center, with no visible military objective. Its non-combatant families also died horribly by the hundreds of thousands. Many were pulverized instantly by the first atomic bomb ever used in a military operation, but thousands of other victims lived on for years, mangled and burned, their limbs and organs slowly rotting away from radiation poisoning. Even while the Japanese officials were desperately suing for peace, the Jews hastily ordered the dropping of a second atomic bomb, this one on Nagasaki, bringing off a second 'test' of their Hellbomb against helpless non-combatants, as prescribed by the Book of Esther. Again, hundreds of thousands of civilians died horribly.

At last, the Jews had achieved the weapon which they planned to use to terrorize the entire world into subjecting itself to their insane frenzies and their frequently voiced goal of world domination of the 'animals,' or non-Jews. As Chaim Weizmann boasted, 'We will never actually have to use this atomic weapon in military operations as the mere threat of its use will persuade any opponent to surrender to us.' (Eustace Mullins, Foreword, War! War! War!)

"Propaganda mostly in hands of Jews, who control almost 100 percent radio, film, daily and periodical press. Although this propaganda extremely coarse and presenting Germany as black as possible, nevertheless extremely effective since public here completely ignorant and knows nothing of situation in Europe...Situation here excellent platform for public speakers of all kinds for emigrants from Germany and Czechoslovakia, who with great many words inciting public, with most various calumnies. They are praising American liberty which contrasts with totalitarian states. It is interesting to note that in this extremely well-planned campaign which conducted above all against National Socialism, Soviet Russia almost completely eliminated. Soviet Russia if mentioned at all mentioned in friendly manner and things presented in such way as if Soviet Union co-operating with block democratic states. Thanks to clever propaganda sympathies of American public completely on side of Red Spain. This propaganda war psychosis being artificially created. American people are told that peace in Europe only hinging bread...that in case of world War America must take active part in order defend slogans of liberty and democracy in world. President Roosevelt was first one to express hatred against Fascism. In doing so he was serving double purpose; first, he wanted to divert attention of American people from difficult and intricate domestic problems, especially from...struggle between capital and labor. Second, by creating war psychosis...he wanted to induce American people to accept enormous armament program...As to point two I can only say that...Roosevelt, as clever player of politics...speedily deviated public attention from domestic situation in order to fasten it on foreign policy...Reigning hatred against everything which in any way connected with German National Socialism is further kindled by brutal attitude against Jews in Germany and by emigree problem. In this action participated Jewish intellectuals, for instance Bernard Baruch, Governor of New York Lehman...judge of Supreme Court Felix Frankfurter, Secretary of Treasury

Morgenthau and others who are close personal friends of President Roosevelt. They want President to become champion of human rights, freedom of religion and speech, who in future shall punish trouble mongers. This group, people who want to pose as representatives of 'Americanism' and 'defenders of democracy' in last analysis are connected by unbreakable ties with international Jewry. For this Jewish international, which above all is concerned with interest its race, was putting of President of United States at this 'ideal' post of champion of human rights was clever move. In this manner they created dangerous hotbed for hatred and hostility in this hemisphere and divided world into two hostile camps. Entire issue is worked out in mysterious manner. Roosevelt has been forcing foundation for vitalizing American foreign policy and simultaneously...to procure enormous stocks for coming war for which Jews are striving fully consciously..." (Document dated January 12, 1939, from Polish Ambassador in Washington).

026

"World War II was a war to renew Jewish domination of Germany and Central Europe and for the maintenance of the power and glory of the British/Jewish Empire. The conspirators in America, England and France are responsible for the greatest tragedy the world has ever known and their names will be dishonored and execrated in history. It never would have started had not Roosevelt and the half Jew Bullitt guaranteed to Britain and France all of America's resources, which meant, first, repeal of our neutrality act and supplying them with munitions and bombers without stint; second, in time the extension of unlimited credit; third the use of our fleet in the Pacific to protect British, French and Dutch interests; if these did not suffice for victory, then our young men as air pilots and our fleet to be sent to Europe; and lastly, if World Jewry and the British/Jewish Empire could not win without them, millions of our lads to die in Europe's babbles. The premeditated killing of human beings by another, save in self defense, is murder, a crime against Christianity, morality, humanity, and civilization, and this applies with greatest guilt to the wholesale slaughter by one nation of the people of another who have not attacked or harmed them. After this illegal, secret plot was negotiated, Roosevelt, the Jews and the war-mongers of this country, of England and France sought to overthrow the Chamberlain government and to replace it with the Jews Churchill, Eden, Hore-Belisha and Duff Cooper. They plotted to get Bonnet out of the French Cabinet and to substitute the Jews Reynaud, Blum and Mandel. The ardent but unsuccessful courtship of Stalin and Soviet Russia was insisted upon by Roosevelt, World Jewry and war-mongers of America, England and France. One of the reasons for the Roosevelt/Eden plot to overthrow the Chamberlain government and remove Bonnet from the French Cabinet was because they would not agree to pay the price Stalin demanded to encircle and defeat Germany. At Roosevelt's and the Jews' insistence, England and France guaranteed the boundaries of Poland in order to encircle Germany and renew Jewish control. This guarantee of the boundaries of Poland was the direct cause of World War II, it knowingly necessitated it." (War! War! War!, by Cincinnatus, pp. 188-189)

This will be difficult for many to believe, one can hear them say, what:, England do that to this country? Why they are our greatest ally, we could not

do without them. Let us look at the record and see just how much love there is for us in this pretended friendship.

To begin with, when we were at war with Spain, this great Churchill, "Churchill entered British Army 1895, serving with the Spanish forces and fired on the American forces. It was a little embarrassing when the Honorable William Langer of North Dakota made this announcement on the floor of the United States Senate. Mr. Churchill was in this country, because you know, we never hit a man behind his back, he was going to speak in Boston, a little more of the Churchillian propaganda. Learning that this statement had been made by the patriotic Senator Langer, Mr. Churchill was a little upset, he sent a telegram to the Honorable Tom Connally denying the fact. Good Friend, as he was, Senator Connally rose to his feet and read the telegram to the Senate.

Little did they realize that the records were available, that already these facts had been read to the Senate and were in the Congressional Record. Once again Senator Langer read the record to the Senate. Mr. Churchill is a brilliant man, but how stupid to try to deny what he has sanctioned in his biography, for you will find the record in World's Who's Who and a very good account in International Who's Who. The preface to these books states "This volume contains an authentic record of notable men and women throughout the world, page 114, 1940 edition: 'Winston Churchill...He entered the British Army 1895, serving with the Spanish forces against the American forces in Cuba.'

International Who's Who, page 158, published by Europe Publications Ltd. London, 39 Belford Square, W.C. 1 the 13th edition, states: "Churchill entered the army in 1895, served in Cuba with Spanish forces against the Americans. The preface in this book states, 'We wish to express our thanks to all those who, by completing questionnaires or by correcting proofs sent to them have enabled us to bring information up to date and to remind others that unless proofs are returned, no responsibility can be accepted for the accuracy of their biographical records.'

In 1946, the Biographical Encyclopedia of the World repeats: "Churchill entered the British Army 1895, serving with the Spanish forces in Cuba."

Webster's Biographical Dictionary, 1st edition by G. & C Merriam, publishers, Springfield, Mass., also states that "Churchill served in Cuba with the Spanish forces."

Current Biography, 1940 edition, published by H.W. Wilson Co., 950 University Avenue, New York City also states: "Churchill: He was with the Spanish forces in Cuba." It was repeated in 1942. It is here that we find Churchill quoted: "He had always thought it a pity that it all had to be so make believe, and that the age of wars between civilized nations had come to an end forever, now he, at least had an opportunity to join civilized Spain in a war against uncivilized Cuba."

Robert's account of Winston Churchill, 1928, Robert H. McBride, publishers, page 32, through Sir Henry Drummond, ambassador at Madrid, (Spain) Churchill: He joined the Spanish forces in Cuba in 1895. Spain conferred the 'Order of Military Merit, 1st class.'

While the New York Times, which prints "all the news that is fit to print," in their issue of September 19, 1945 states: "Churchill fought with Spain in Cuba." (And Men Wept, by Catherine Palfrey Baldwin)

028

"My work in those years was essentially of a propagandist nature. I was too young and unknown to play a part in the leading circles of Germany, let alone of world Zionism, which was controlled from Berlin." (My Life as a German Jew, Nahum Goldmann, p. 121).

029

"Ardent propagandists lashed the British public into a fury at the work of German Zeppelin and aeroplane raiders raining death and destruction on defenseless women and children ...The carnage caused by allied airmen in German towns has been kept very quiet, but two instances will be enough to show its quality. In June, 1916, British and French pilots bombed Karlsruhe during the Corpus Christi procession, killing and wounding 26 women and 124 children. In a second raid in September they caused 103 casualties in the same city...Already the pitch has been reached in Great Britain where it is considered bigoted or reactionary to do other than praise the Jews for their industry and ability. Few papers will risk any attack on the Jews, however, well-founded, for fear of appearing even distantly anti-Semitic. This is more than true in America where it is dangerous to mention any truth derogatory to the Jews, and in New York it has been made a crime)...It has been estimated that of the world Jewish population of approximately fifteen millions, no fewer than five millions are in the United States. Twenty-five percent of the inhabitants of New York are Jews. During the Great War we bought off this huge American Jewish public by the promise of a Jewish National Home in Palestine, held by Ludendorff to be the master stroke of Allied propaganda as it enabled us not only to appeal to Jews in America but to Jews in Germany as well...All over the world, and especially in the U.S.A. Jews will be active against Germany, and the Jew is a natural and energetic propagandist, though perhaps not a very far-seeing one. There are, however, cross-currents in the tide of World Jewry, the identification of Russian Jews with Communism, for example, and Palestine, another of our war propaganda hens which may come to roost! Which should warn us not to rely too much on having it entirely in our favor...I have said already that the Jew is a more energetic than a skillful propagandist, but he is undoubtedly energetic. At present we are with traditional readiness giving shelter to large numbers of persecuted Jews from Germany and Austria. It would be against nature if these immigrants, whether permanent or in passage, did not harbor resentment against the countries which had expelled them, and it should not be grounds for a charge of anti-Semitism to point out that a great many of them are making an active propaganda to incite feeling against Germany...The U.S.A. will simply supply the world (with moving pictures, practically all owned by the Jews) Not only is she far and away the greatest producer, but, much more important still, she largely controls the machinery of the world film distribution...they (the Americans) can perhaps be expected, in the security of their own detached hemisphere, to see European affairs realistically. For one thing, the American is the great champion of the oppressed, and frequently of the oppressed which may explain why he is so frequently taken in by the 'hard-luck' story of London confidence tricksters! Secondly, the American peoples are still under the influence of much of the Great War propaganda. They are more susceptible than most people, to mass suggestion, they have been brought up on it, and since 1918 they have shut themselves off from reality. Thirdly, they are at this moment the battleground of an active propaganda of Labels." (Propaganda in the Next War, by

Sidney Rogerson, pp. 86-148; War! War! War!, by Cincinnatus, pp. 191-193).

"Although the Jews have appeared in the histories of other nations throughout the centuries, they were never able or willing to establish a nation of their own. They remain forever desolate in this regard. The only way the Jews got possession of Palestine was by using other people to steal it from the Turks and Arabs for them. The so-called 'Israeli' state is nothing but a parasitic state, since it is occupied by parasites. The Jews get billions of dollars from Germany as 'reparations' and 'restitution payments' for its alleged 'war crimes' against Jews. They get billions more every year from the United States. It (Israel) has to steal or buy technology from Western nations as the Jews have not the creativity to develop their own. The Jewish state of Israeli would collapse in a minute without the continued support, protection and assistance from Jacob/Israel (The White Nations of Christendom). It is not, never has been, and never will be a self-sustaining nation." (Charles A. Weisman, Who is Esau-Edom?, pp. 27-28).

031

"The German revolution is the achievement of the Jews; the Liberal Democratic parties have a great number of Jews as their leaders, and the Jews play a predominant role in the high government offices." (The Jewish Tribune, July 5, 1920)

RABBI RABINOVICH'S SPEECH OF JANUARY 12TH, 1952

033

A report from Europe carried the following speech of Rabbi Emmanuel Rabinovich before a special meeting of the Emergency Council of European Rabbis in Budapest, Hungary, January 12, 1952: "Greetings, my children; You have been called her to recapitulate the principal steps of our new program. As you know, we had hoped to have twenty years between wars to consolidate the great gains which we made from World War II, but our increasing numbers in certain vital areas is arousing opposition to us, and we must now work with every means at our disposal to precipitate World War III within five years [They did not precipitate World War III but they did instigate the Korean War when on June 25, 1950 they ordered the North Korean army to launch a surprise attack on South Korea. On June 26, the U.N. Security Council condemned the invasion as aggression and ordered withdrawal of the invading forces. Then on June 27, 1950, our Jewish American President Truman ordered air and naval units into action to enforce the U.N. order. Not achieving their full goals, they then instigated the overthrow of South Vietnam Ngo Dinh Diem, Premier under Bao Dai,

who deposed the monarch in 1955 and established a republic with himself as President. Diem used strong U.S. backing to create an authoritarian regime, which soon grew into a full-scale war, with Jewish pressure escalating U.S. involvement].

The goal for which we have striven so concertedly for three thousand years is at last within our reach, and because its fulfillment is so apparent, it behooves us to increase our efforts and our caution tenfold. I can safely promise you that before ten years have passed, our race will take its rightful place in the world, with every Jew a king and every Gentile a slave (Applause from the gathering). You remember the success of our propaganda campaign during the 1930's, which aroused anti-American passions in Germany at the same time we were arousing anti-German passions in America, a campaign which culminated in the Second World War. A similar propaganda campaign is now being waged intensively throughout the world. A war fever is being worked up in Russia by an incessant anti-American barrage while a nation-wide anti-Communist scare is sweeping America. This campaign is forcing all the smaller nations to choose between the partnership of Russia or an alliance with the United States. Our most pressing problem at the moment is to inflame the lagging militaristic spirit of the Americans. The failure of the Universal Military Training Act was a great setback to our plans, but we are assured that a suitable measure will be rushed through Congress immediately after the 1952 elections. The Russians, as well as the Asiatic peoples, are well under control and offer no objections to war, but we must wait to secure the Americans. This we hope to do with the issue of Anti-Semitism, which worked so well in uniting the Americans against Germany. We are counting heavily on reports of anti-Semitic outrages in Russia to whip up indignation in the United States and produce a front of solidarity against the Soviet power. Simultaneously, to demonstrate to Americans the reality of anti-Semitism, we will advance through new sources large sums of money to outspokenly anti-Semitic elements in America to increase their effectiveness, and we shall stage Anti-Semitic outbreaks in several of their largest cities. This will serve the double purpose of exposing reactionary sectors in America, which then can be silenced, and of welding the United States into a devoted anti-Russian unit. (Note: -- Protocol of Zion No. 9, para. 2, states that anti-Semitism is controlled by them. At the time of this speech they had already commenced their campaign of anti-Semitism in Czechoslovakia). Within five years, this program will achieve its objective, the Third World War, which will surpass in destruction all previous contests. Israeli, of course, will remain neutral, and when both sides are devastated and exhausted, we will arbitrate, sending our Control Commissions into all wrecked countries. This war will end for all time our struggle against the Gentiles.

We will openly reveal our identity with the races of Asia and Africa. I can state with assurance that the last generation of white children is now being born. Our Control Commissions will, in the interests of peace and wiping out inter-racial tensions.

Forbid the Whites to mate with Whites. The White Women must cohabit with members of the dark races, the White Men with black women. Thus the White Race will disappear, for the mixing of the dark with the White means the end of the White Man, and our most dangerous enemy will become only a memory. We shall embark upon an era of ten thousand years of peace and plenty, the Pax Judaica, and our race will rule undisputed over the world. Our superior intelligence will easily enable us to retain mastery over a world of dark peoples.

Question from the gathering: Rabbi Rabinovich, what about the various religions after the Third World War?

Rabinovich: There will be no more religions. Not only would the existence of a priest class remain a constant danger to our rule, but belief in an after-life would give spiritual strength to irreconcilable elements in many countries, and enable them to resist us. We will, however, retain the rituals and customs of Judaism as the mark of our hereditary ruling caste, strengthening our racial laws so that no Jew will be allowed to marry outside our race, nor will any stranger be accepted by us. (Note: Protocol of Zion No. 17 para. 2, states: 'Now that freedom of conscience has been declared everywhere (as a result of their efforts they have previously stated) only years divide us from the moment of the complete wrecking of that [Hated] Christian Religion. As to other religions, we shall have still less difficulty with them.')

We may have to repeat the grim days of World War II, when we were forced to let the Hitlerite bandits sacrifice some of our people, in order that we may have adequate documentation and witnesses to legally justify our trial and execution of the leaders of America and Russia as war criminals, after we have dictated the peace. I am sure you will need little preparation for such a duty, for sacrifice has always been the watchword of our people, and the death of a few thousand lesser Jews in exchange for world leadership is indeed a small price to pay. To convince you of the certainty of that leadership, let me point out to you how we have turned all of the inventions of the White Man into weapons against him. His printing presses and Radios are the mouthpieces of our desires, and his heavy industry manufactures the instruments which he sends out to arm Asia and Africa against him.

Our interests in Washington are greatly extending the Point Four Program (viz. Colombo Plan) for developing industry in backward areas of the world, so that after the industrial plants and cities of Europe and America are destroyed by atomic warfare, the Whites can offer no resistance against the large masses of the dark races, who will maintain an unchallenged technological superiority. And so, with the vision of world victory before you, go back to your countries and intensify your good work, until that approaching day when Israeli will reveal herself in all her glorious destiny as the Light of the World." (Note: Every statement made by Rabinovich is based on agenda contained in the "Protocols of Zion.")

The war time Premier (Winston Churchill) said he "thought the problem of a National Jewish Home in Palestine was too big to be handled by one single nation alone. Favors joint inquiry." I am strongly in favor of a joint inquiry by the United States and Great Britain." adding "As you probably know I am a Zionist from the beginning." (Philadelphia Record, January 11, 1946; And Men Wept, by Catherine Palfrey Baldwin, p. 83).

"Sirs, you are doubtlessly intelligent people, however, I have a problem understanding how you found a place in prophecy for those I know to be void of a even a single drop of Hebrew blood - without any cultural or historical ties to the Holy Land and in fact simple converts to a base form of

Judaism. Clinton eulogized Rabinowitz (Yitzhak Rabin) as a son of David and a son of Solomon. You must know that this man was a Khazar of Turko-Mongolian lineage, and can in no way represent a 'return' since his southern Russian ancestors never made it down to Palestine until 1948." (Christian Radio Talk Show in Birmingham, on which Dave Hunt appeared as a guest. Dave was promoting his book, A Cup of Trembling).

"Propaganda mostly in hands of Jews, who control almost 100 percent radio, film, daily and periodical press. Although this propaganda extremely coarse and presenting Germany as black as possible, nevertheless extremely effective since public here completely ignorant and knows nothing of situation in Europe...Situation here excellent platform for public speakers of all kinds, for emigrants from Germany and Czechoslovakia, who with great many words inciting public, with most various calumnies. They are praising American liberty which contrasts with totalitarian states. it is interesting to note that in this extremely well-planned campaign which conducted above all against National Socialism. Soviet Russia almost completely eliminated. Soviet Russia if mentioned at all mentioned in friendly manner and things presented in such way as if Soviet Union co-operating with block democratic states. Thanks to clever propaganda sympathies of American public completely on side of Red Spain. This propaganda war psychosis being artificially created. American people are told that peace in Europe only hanging on thread...that in case of world War America must take active part in order defend slogans of liberty and democracy in World. President Roosevelt was first one to express hatred against Fascism. In doing so he was serving double purpose; first, he wanted to divert attention of American people from difficult and intricate domestic problems, especially from....struggle between capital and labor. Second, by creating war psychosis...he wanted induce American people to accept enormous armament program...Unemployed today already number twelve million...Only huge sums running into billion which treasury expends for emergency labor projects are keeping certain amount of peace in country...As to point two I can only say that... Roosevelt, as clever player of politics...speedily deviated public attention from domestic situation in order to fasten it on foreign policy...Munich Pact came to...Roosevelt as God-sent...Reigning hatred against everything which in any way connected with German National Socialism is further kindled by brutal attitude against Jews in Germany and by emigree problem. In this action participated Jewish intellectuals, for instance Bernard Baruch, Governor of New York, Lehman...judge of Supreme Court Felix Frankfurter, Secretary of Treasury Morgenthau and others who are close personal friends of President Roosevelt. They want President to become champion of human rights, freedom of religion and speech, who in future shall punish trouble mongers. This group, people who want to pose as representatives of 'Americanism' and 'defenders of democracy' in last analysis are connected by unbreakable ties with international Jewry.

For this Jewish international, which above all is concerned with interest in its race, was putting of President of United States at this 'ideal' post of champion of human rights was clever move. In this manner they created dangerous hotbed for hatred and hostility in this hemisphere and divided world into two hostile camps. Entire issue is worked out in mysterious manner. Roosevelt has been forcing fountain for vitalizing American foreign policy and simultaneously...to procure enormous stocks for coming war for

which Jews are striving fully consciously..." (Document dated January 12, 1939, from Polish Ambassador in Washington, War! War! War!, Cincinnatus, pp. 173-174).

"Another World War, plotted by Roosevelt and World Jewry, the Jewish controlled American press and radio, the British-Jewish Empire and the French Empire with a large proportion of their press and banks owned by the Jews, is being fought as these words are put down...

This is a war to renew Jewish domination of Germany and Central Europe and for the maintenance of the power and glory of the British-Jewish Empire. The conspirators in America, England and France are responsible for the greatest tragedy the world has ever known and their names will be dishonored and execrated in history, It never would have started had not Roosevelt and the half Jew Bullitt guaranteed to Britain and France all of America's resources, which meant, first, repeal of our neutrality act and supplying them with munitions and bombers without stint; second, in time the extension of unlimited credit; third, the use of our fleet in the Pacific to protect British, French and Dutch interests; if these did not suffice for victory, then our young men as air pilots and our fleet to be sent to Europe; and, lastly, if World Jewry and the British-Jewish Empire could not win with them, millions of our lads to die in Europe's battles.

The premeditated killing of a human being by another, save in self defense, is murder, a crime against Christianity, morality, humanity, and civilization, and this applies with greatest guilt to the wholesale slaughter by one nation of the people of another who have not attacked or harmed them.

After this illegal, secret plot was negotiated, Roosevelt, the Jews and the war-mongers of this Country, of England and France sought to overthrow the Chamberlain government and to replace it with the half Jew Churchill, part Jew Eden, Jew Hore-Belisha and Duff Cooper. They plotted to get Bonnet out of the French Cabinet and to substitute Reynaud, Jew Blum and Jew Mandel. The ardent but unsuccessful courtship of bloody Stalin and Soviet Russia was insisted upon by Roosevelt, World Jewry and war-mongers of America, England and France.

One of the reasons for the Roosevelt-Eden plot to overthrow the Chamberlain government and remove Bonnet from the French Cabinet was because they would not agree to pay the price Stalin demanded to encircle and defeat Germany. At Roosevelt's and the Jews' insistence, England and France guaranteed the boundaries of Poland in order to encircle Germany and renew Jewish control. This guarantee of the boundaries of Poland was the direct and proximate cause of the World's War; in face, it knowingly necessitated it." (War! War! War!, Cincinnatus, pp. 188-189).

038

"Already the pitch has been reached in Great Britain where it is considered bigoted or reactionary to do other than praise the Jews for their industry and ability. Few papers will risk any attack on the Jews, however well-founded, for fear of appearing even distantly anti-Semitic." (This is more than true in America where it is dangerous to mention any through derogatory to the

Jews, and in New York it has been made a crime). (Propaganda in the Next War, Sidney Robertson, p. 92; War! War! War!, Cincinnatus, p. 192).

039

"There is no doubt that the...Jews aided the Persians with all the men they could muster, and that the help they gave was considerable. Once Jerusalem was in Persian hands a terrible massacre of Christians took place, and the Jews are accused of having taken the lead in this massacre." (A History of Palestine from 135 A.D. to Modern Times, James Parkes, p. 81; The Iron Curtain Over America, John Beaty, p. 194).

"We have the Israelis coming to us for equipment. We can say we can't possibly get the Congress to support a program like this. And they say don't worry about the Congress. We will take care of the Congress. This is somebody from another country, but they can do it. They own, you know, the banks in this country. The newspapers. Just look at where the Jewish money is." (General George S. Brown)

"The people who own and manage national impact media are Jewish and, with other influential Jews, helped create a disastrous U.S. Mideast policy. All you have to do is check the real policy makers and owners and you find a much higher concentration of Jewish people than you're going to find in the population. By national impact media I am referring to the major news wire services, pollsters, Time and Newsweek Magazines, the New York Times, Washington Post, and the International Herald Tribune. For example, CBS' Mr. (William) Paley's Jewish. Mr. Julian Goodman, who runs NBC, and there's a Leonard Goldenson at ABC. Mrs. Katherine Graham owns the Washington Post and Mr. Sulzberger the New York Times. They are all Jews!

You go down the line in that fashion...not just with ownership but go down to the managing posts and discretionary posts... and you'll find that through their aggressiveness and their inventiveness, they now dominate the news media. Not only in the media, but in academic communities, the financial communities, in the foundations, in all sorts of highly visible and influential services that involve the public, they now have a tremendous voice.

Our policy in the Middle East in my judgement is disastrous, because it's not even handed. I see no reason why nearly half the foreign aid this nation has to give goes to Israel, except for the influence of this Zionist lobby. I think the power of the news media is in the hands of a few people...it's not subject to control of the voters, it's subject only to the whim of the board of directors." (Former Vice President Spiro Agnew)

"Christianity, therefore is unhistoric and unmoral." (A Program for the Jews and Humanity, Harry Watson, p. 121).

Another famous betrayal of a country bit its Jews took place in Spain. In his History of the Jews, Vol. III, p. 109, Professor Graetz relates: "The Jews of Africa, who at various times had emigrated thither from Spain, and their unlucky co-religionists of the Peninsula, made common cause with the Mahometan conqueror, Tarik, who brought over from Africa into Andalusia an army eager for the fray. After the battle of Xeres (July, 711 A.D.), and the death of Frederic, the last of the Visigothic kings, the victorious Arabs pushed onward, and were everywhere supported by the Jews. In every city that they conquered, the Moslem generals were able to leave but a small garrison of their own troops, as they had need of every man for the subjection of the country; they therefore confided them to the safekeeping of the Jews. In this manner the Jews, who but lately had been serfs, now became the masters of the towns of Cordova, Granada, Malaga, and many others. When Tarik appeared before the capital, Toledo, he found it occupied by a small garrison only, the nobles and clergy having found safety in flight. While the Christians were in church, praying for the safety of their country and religion, the Jews flung open the gates to the victorious Arabs (Palm Sunday, 712 A.D.), receiving them with acclamations, and thus avenged themselves for the many miseries which had befallen them in the course of a century since the time of Reccared (The 'miseries' which the Jews claimed prompted them to treason was explained by Professor Graetz. King Reccard 'the most oppressive of all was the restraint touching the possession of slaves. Henceforward the Jews were neither to purchase Christian slaves nor to accept them as presents.' (History of the Jews, Vol. III, p. 46)) and Sisebut (The 'miseries' of King Sisebut was that he was annoyingly determined to convert them to Christianity. History of the Jews, Vol. III, p. 46)). The capital also was entrusted by Tarik to the custody of the Jews, while he pushed on in pursuit of the cowardly Visigoths, who had sought safety in flight, for the purpose of recovering from them the treasure which they had carried off.

Finally when Musa Ibn-Nosair, the Governor of Africa, brought a second army into Spain and conquered other cities, he also delivered them into the custody of the Jews." (History of the Jews, Professor Graetz, Vol. III, p. 109; The Iron Curtain Over America, John Beaty, pp. 194-195).

044

"It has been estimated that of the world Jew population of approximately fifteen millions, no fewer than five million are in the United States. Twenty-five percent of the inhabitants of New York are Jews. During the Great War we bought off this huge American Jewish public by the promise of the Jewish National Home in Palestine, held by Ludendorff to be the master stroke of Allied propaganda as it enabled us not only to appeal to Jews in America but to Jews in Germany as well." (Propaganda in the Next War, Sidney Robertson, p. 147; War! War! War!, Cincinnatus, p. 192).

045

"Meanwhile our Christian? Government unites with the British-Jewish Empire, in a plot to starve not merely German women and children (that has had our active support since the war started), but also the women and

children of France, Belgium, Holland, Denmark, Norway, Sweden, Finland, Austria, Hungary, Italy; in fact, all of Europe except Britain until, by provoked revolution, it is hoped general chaos will come. Germany will be destroyed, and the British-Jewish Empire once more put in control of Europe.

The starvation of men, women and children has been the most approved English method of warfare since the Jews became dominant there - Ireland, China, India, the Boers, Germany, Austria, Hungary, Italy and now France, Holland, Belgium, Norway and Spain. England and the Jews, with our help, in the name of civilization and Christianity, have illegally made food contraband against friendly peaceable nations and call it economic warfare - viz: Jewish warfare - the Four Horsemen." (War! War! War!, Cincinnatus, p. 242).

046

"The story I shall unfold in these pages is the story of Germany's two faces, the one turned towards Western Europe, the other turned towards Soviet Russia...It can be said, without any exaggeration, that from 1921 till the present day Russia has been able, thanks to Germany, to equip herself with all kinds of arms, munitions, and the most up-to-date war material for an army of several millions; and that, thanks to her factories manufacturing war material in Russia, Germany has been able to assure herself not only of secret supplies of war material and the training of officers and other ranks in the use of this material, but also, in the event of war, the possession of the best stocked arsenals in Russia...The firm of Krupp's of Essen, Krupp the German Cannon-King (Kanonenkoenig), deserves a chapter to itself in this review of German war-industries in Russia.

It deserves a separate chapter...because its activity upon Soviet territory has grown to tremendous proportions...The final consolidation of the dominating position Krupp's occupy in Russia, was the formation of a separate company 'Manych' to which the Soviet Government granted a liberal concession...Negotiations concerning these concessions for the company were conducted in Moscow, for several months...Gradually there was formed in Russia a chain of experimental training camps, and artillery parks (ostensibly eliminated by the Treaty of Versailles).

These are under the management of German officers, and they are invariably teeming with Germans either arriving to undergo a course of training, or leaving after the completion of the course...At the time of writing (1932) interest is growing in the rising star of Herr Adolf Hitler, the Nazi Leader. Herr Hitler is regarded as the protagonist par excellence of the Right against the Left in Germany, and, as a Hitlerist regime is anticipated before long, it may perhaps be argued that the Third Reich of the Nazis, the sworn enemies of Communism, would not tolerate the Reichswehr-Red Army connection. Such a conclusion would be inaccurate to the last degree ...Stalin, the realist, would have no qualms in collaboration with the Hitlerist Germany. But more important than this are the following facts: The Reichswehr Chiefs and their political allies amongst the civilian politicians and officials have succeeded in nursing their Eastern orientation, their underground military collaboration with the Soviets, in spite of all the changes of political regime in Germany since the end of the war. It has made little or no difference to them whether the Reich Government has been composed of men of the Right, the Center, or the Left. They have just continued their policy uninfluenced by political change. There is no reason to suppose that they would change their course

under a Hitlerist regime, especially when it is remembered that most of the aims, in external policy, of the Nazi leaders, are identical with those of the Nationalists and the military leaders themselves. Furthermore, there are the great German industrialists, of Nationals color, who are amongst the principal collaborators, on the war material side, with the Reichswehr Chiefs, and who are, therefore, hand in glove with the directors of the 'Abmachungen' (Agreements) plot. Many of these great industrialists are contributors on a big scale to the Nazi party funds. A hitlerist Germany would, therefore, have no qualms in continuing the collaboration with Soviet Russia...The Reichswehr chiefs who are conducting the Abmachungen delude themselves that they can use Bolshevik Russia to help them in their hoped-for war of revenge against Europe, and then, in the hour of victory, hold the Bolsheviks at bay, and keep them in their place. The more subtle psychologists at the Kremlin, of course, know better, but are wise enough to keep their knowledge to themselves. The fact, however, that this German-Russian plot will, in the end, bring about the destruction of Germany, will not in any way reconcile Europe to its own destruction at the hands of Germany and Russia together." (The Russian Face of Germany, Cecil F. Melville, pp. 4, 102, 114, 117, 120, 173-174, 176).

"When we come to the Babylonian Gemara, we are dealing with what most people understand when they speak or write of the Talmud. Its birthplace, Babylonia, was an autonomous Jewish centre for a longer period than any other land; namely, from soon after 586 before the Christian era to the year 1040 after the Christian era - 1626 years." (Rabbi Hertz, English Edition of the Babylonian Talmud, the Soncino Talmud (1935), p. XXI, Rabbi Hertz).

048

"The Greeks had had vast experience in this world, their imagination had been fertile and they had created much...that, in these circumstances, they should fall in with a people imbued with a calm and sometimes stolid and bucolic certainty where its spiritual possessions were concerned, barbarians with no sculpture or breeding, necessarily tinged their contempt with impotent wrath. The inevitably logical result of this attitude on the part of the Greeks was the growth of anti-Semitism, of hatred of the Jews." (Josef Kastein, History of the Jews, p. 92).

049

"The customs of the Jews are base and abominable and owe their persistence to their depravity. Jews are extremely loyal to one another, always ready to show compassion, but towards every other people they feel only hate and enmity. As a race (the Jews are not a race, because they have mingled with the other races to the point that they are only a people, not a race), they are prone to lust; among themselves nothing is unlawful." (Roman Historian Tacitus).

"To the Jews, Rome constituted the quintessence of all that was odious and should be swept away from off the face of the earth. They hated Rome and her device, arma et leges, with an inhuman hatred. True, Rome had leges, laws, like the Jews. But in their very resemblance lay their difference; for the Roman laws were merely the practical application of the arma, the arms...but without the arms, the leges were empty formulae." (Josef Kastein, History of the Jews, p. 192).
